Mattapoisett Selectmen's Meeting

FEBRUARY 10, 1987-by VIRGINIA ARRAL

STATE PROPOSED CHANGES ON COASTAL PROPERTY DRAWS CRITICISM

What Selectman James F. Huntoon termed a surprise to not only Mattapoisett Selectmen but also to other area town officials are the state DEQE proposed revisions to the Waterway Regulation which would have a widespread effect on the operation of marinas and waterfront (both ocean and lakes) facilities in the state. Huntoon said the first we (Mattapoisett Selectmen) heard about this drastic legislation was from Arthur McLean of the Mattapoisett Boatyard on February 4th. He said the notice was sent out in December, however neither Mattapoisett officials nor those from about 17 other towns received a notice.

Huntoon spoke of the drastic changes that could come about if the proposal is made into law; such as "the town's boat slips would be open to anyone in the state on a first come basis for a one-year period", "Marion's Beverly Yacht Club would no longer be able to have private members, but would be open to anyone", "it would restrict financing of marinas or any private business on the waterfronts". A letter from the Plymouth Savings Bank expressed concern over the possible passage of this law.

The Board agreed to fight this proposal by protesting to the DEQE, state legislators, the governor and the MMA (Massachusetts Municipal Association). Huntoon added that the DEQE has done some good things, but with this action they have taken away some of their integrity. Selectmen noted the proposed regulations are extensive. A copy may be seen at their office by anyone interested. "One town taking on DEQE alone wouldn't carry much weight," Huntoon said, "but 351 towns, banks, boatyards and marinas banded together could make a difference."

Among the proposed regulation changes include: present permits would be voided, make your marine title unmarketable and unfinanceable, limit your permit to one, five or forty years, give DEQE ability to revoke your permit under more subjective regulations, reduce the interest of banks in financing marina purchases, force all marinas, yacht clubs and municipalities to

offer all slips on a departmentally regulated first come annual basis or lottery to the general public, thus limiting the town's management, reduce the value of your property, increase the requirements for structural, utility and sanitary facilities, sharply reduce the potential for development of your property, dramatically increase payments to the state for use of tidelands, create an unconstitutional taking of property without just compensation, prohibit long-term leasing of slips or dockominiums, and impose substantial new standards on marinas with respect to sewerage and utility services.

The DEQE proposal outlines examples of projects to include marinas, piers, floats, moorings or other waterfront development and to change the use of fill or structures placed in tidelands (both existing and historic), great ponds, and certain rivers and streams.

Huntoon noted there will be a public information meeting on the proposal on March 2nd at Lakeville Hospital; the time may be obtained from the Selectmen's Office. The state DEQE will formally listen to and record all comments. Final re-

views will be made after an in-depth review of all comments have been received. The DEQE expects to have the regulations in effect by June 1987.

In other business, Selectmen:

MET WITH Peter Kortright, chairman of the Growth Study Committee, and William Matthews, Planning Board member and representative to the Growth Study Committee, to discuss an update of the committee's recommendations from Southeastern Regional Planning and Economics Development District (SRPEDD) for a plan to guide Mattapoisett's growth and development for the next 20 years.

Selectmen Chairman John DeCosta announced a public meeting will be held at 7 p.m. March 5th to hear comments from the residents interested in the future growth of the town. Impact of proposed changes in the law as it will affect the harbor will be discussed. Kortright said volunteers will be sought to serve on the growth committee from various sections of town, various departments and those residents with specific expertise. Clearly, a balanced plan will reflect ideas from various parts of town, said Kortright. Greer Ellis and Randall Kunz, interested residents, also attended and expressed a desire to help the committee.

Kortright explained his talk with a SRPEDD representative and their recommendation on the start-up objectives. He sought, and received, an agreement from Chairman DeCosta for a small budget for secretarial

work. DeCosta said, "If you're going to take minutes at your meeting, you will need someone to help keep a record, as continuity of records is important." Kortright noted there might be some planning grants available and there will be some help from SRPEDD through fiscal 1988. He said the study is expected to be completed by May 1989, with periodic reports to Selectmen and annual reports to be made at town meeting.

As Kortright explained, the first step would be to develop a growth management plan for Mattapoisett (utilizing the resources or local residents to the maximum extent possible) that will set the direction of growth and development in town for the next twenty years. The second step of the plan should be the goal of providing sufficient land to meet the needs of the residents of Mattapoisett for jobs, housing and recreation, while insuring that important natural resources are protected. The third step would be to prepare a resource inventory of fund-

ing sources (for example the Mass EOCD Strategic Planning Program) and organizations (for example, the Pilgrim Resource Conservation and Development District) that can assist with the preparation or implementation of the plan. The fourth step would include the recommendation of a series of implementation measures (new by-laws, technical studies) to the Board of Selectmen and Town Meeting for action.

ANNOUNCED Robert M. Field, 100 Mattapoisett Neck Road, has been granted permission by the State Division of Marine Fisheries to "possess naturally occurring seed shellfish and seed shellfish transplanted under previously issued permits in the clean waters of Field's shellfish grants located in a cove close to Brandt Island Cove".

The state directed "no relay is to take place at this time". The permit will be amended at a later date to allow a transplant of seed shellfish, and the permit will expire December 31, 1987.

NOTED THE DELAY in receiving construction cost figures from Crowley Architects for the Police Station Building Needs Committee is due to the fact the person handling these figures is on vacation. Executive Secretary Carol Adams said they should have an answer in a week. At last week's meeting Police Chief James F. Moran noted he had been waiting a long time for these fig-

windows in the 1898 and 1937 sections of Center School, $50,000 to $100,000; 1991, Painting the exterior of both Center and Old Hammondtown Schools, $20,000; 1991, areas of heat and ventilation controls, handicapped access, floors in the 1898 section of Center School and safety regulations, $10,000 to $30,000.

HEARD FROM Tighe and Bond Engineers regarding funds for fiscal 1988 budget to cover sanitary landfill work. An estimate of $9,500 would cover additional follow-up services required by the state DEQE, such as landfill inspection by a registered professional engineer every two months, and a letter report sent to DEQE. Also, the groundwater monitoring wells that will be installed in the spring of 1987 will need to be sampled and analyzed on a quarterly basis, the engineering firm wrote.

The engineers said that while Mattapoisett is not unique in having the Board of Health operate the landfill, there are many communities who have the landfill operation under the Highway Department or a Department of Public Works where more equipment and personnel flexibility exists. Tighe and Bond is not recommending a change, but is advising the Board of Health that a change may be worthwhile investigating.

WILL REFER A NOTICE from the Mas-

MATTAPOISETT

This sparkling Garrison-style home is in perfect, ready-to-move-into condition! Situated on 1 acre in quiet, family neighborhood, it features 3 large bedrooms, 1 1/2 baths, 26 ft. long fireplaced living room with sliders to bright Florida room, eat-in kitchen, formal dining room.

$223,000.

MATTAPOISETT

Lovely harbor views are yours from this authentic "Village Cape". On Cannon and Water Streets and near the Mattapoisett Inn, this 2 bedroom home is in the heart of the Village. Large waterside living room has fireplace; formal dining room, eat-in kitchen, small breezeway to 1 car garage. Newly painted.

MATTAPOISETT

Authentic two story Colonial home of Elihu Sherman predates 1797. 10 rooms, 2 baths, 3rd floor bedroom, pumpkin pine floors. Cast iron baseboard 2nd floor. Enclosed yard. Back porches. Fine water views. Village location.

MARION

37 acres of woods, fields and Cranberry Bogs in very private Marion setting. 8 year old home has 10 rooms, 3 or 4 bedrooms, 2 1/2 baths and 2 fireplaces. Large gambrel roofed cranberry barn with 3 floors. Horse shed and corral. Private sandy fresh water beach. Producing cranberry bogs and Blueberry groves.

OUR MATTAPOISETT TEAM is shaping up very nicely. We would still be happy to discuss opportunities in Mattapoisett with one or two more nice people.

sachusetts Housing Partnership Home Ownership Program announcing the rules for new home buyers who qualify to the Mattapoisett Housing Authority. Selectman Frank Suzan said this program is good for the young people in town. The Board will inform the Housing Authority that they have reviewed the outline and will work with the authority if they are interested in pursuing the program.

NOTED the New England Patriots football team will be playing a benefit basketball game against Tobey Hospital's basketball team on February 28th at 8 p.m. at the Massachusetts Maritime Academy in Buzzards Bay. Chairman DeCosta said tickets are $5. and that the Patriot players will be available for autographs.

AGREED, at Selectman Suzan's recommendation, to send a letter to Congressman Gerry E. Studds expressing the Board's objection to the closing of the Veterans' Clinic in New Bedford. Suzan said, "I have used the clinic myself on occasion. The clinic benefits all veterans in the area. Attendance is down because equipment has been stripped and doctors released." He added that he was recently at the Providence Veterans' Hospital

Mattapoisett Board of Appeals

DECISIONS FOLLOWING HEARINGS
by VIRGINIA ARRAL

Following the December 29, 1986 Zoning Board of Appeals hearing, William B. and Janet R. Muldoon, 16 Shipyard Lane, on January 29, 1987 were granted a Special Permit to conduct a pre-school business at their home with a maximum of 15 students allowed. The hours of operation will be 9 to 11:30 a.m., Monday through Friday, September through May. Other stipulations include: there will be no signs displayed; not more than one additional teacher will be employed and off-street parking will be provided for employees; the drop-off and pick-up point of the children will be on the east side of Shipyard Lane. A safety inspection as required by Massachusetts State Building Code will be enforced.

Following an Appeals hearing on December 18, a January 29 decision on the appeal of Building Inspector David Crook's order of October 21, 1986 in which Purnell H. and Nancy I. Guard, 22 Park Street, were ordered to immediately cease and

desist storage of commercial vehicles in a residential district at 22 Park Street. The Board voted unanimously to uphold the Building Inspector's cease and desist order.

Further, the cease and desist order allows one commercial vehicle to be garaged on the Guard premises, and this vehicle must be used daily for commuting to and from the work place. New regulations on the pole shed state that repair of vehicles on the premises is limited to the Guard's own personal private vehicles and the one being used on a given day by Mr. Guard for work; repairs must occur between the hours of 8 a.m. to 5 p.m., Monday through Friday; not more than 10 gallons of refuse oil or other automotive substances shall be stored at any time and must be disposed of in accordance with EPA regulations; there shall be no exterior storage of equipment, materials, tools or other substances; access to the pole shed is limited to one door for use by a vehicle, all other doors capable of allowing access to the building for vehicles shall be boarded over or removed.

The December 18 application of David S. and Ashleyn P. Stroud, 35 Water Street, for a special permit to convert an existing barn to a residence was granted on January 29. The premises have been divided into two separate lots, and there shall be no further subdivision of either

lot. Any further additions or alterations to the structure shall require a special permit, and all alterations and additions to the carriage shed shall be in accordance with the plans submitted.

Following a December 29 hearing, the petition of Neal and June Clay, 24 Winslow Road, Westwood, regarding their property on 10 Pine Road, Point Connett for a special permit to construct a 10 foot by 23 foot addition and deck was granted. The addition must meet all applicable flood plain zone requirements.

Following a December 18 hearing, Scott and Sarah Ellms, 5 Brandt Island Road, were granted a special permit to erect a 10 foot by 25 foot addition on the back of their house and a one-story addition with basement over the first floor bedroom (12 foot by 17 foot addition).

The December 29 application of Milton H. and Debra Reynolds, 825 Middle Road, Acushnet for a special permit to change the use of the building at 73 Fairhaven Road to that of hairdresser and to extend the size of the building was denied without prejudice on January 29. This denial without prejudice allows the petitioners to file a new petition if the following issues are addressed: an engineer's plan of the proposed sewerage disposal system; a statement from an engineer indicating his findings as to size, type and condition of the existing sew-

Marion Art Center

THEATER SEASON OPENS FEBRUARY 27

The 1987 Theater season opens February 27th at the Marion Art Center with their production of "Betrayal", a fascinating play by Harold Pinter. The theme focuses on the age old "triangle", but Pinter gives the plot a bizarre twist. The play opens at the end of the affair and gradually works backwards, like a flashback in film, so that the final curtain reveals the beginning. The audience is given a unique insight into the emotions and motivations of the characters through this device. Another trademark of Pinter is his meaningful silences, implying meanings between the lines; a real challenge for actors and director.

And the actors and director of this play are up to the challenges of Pinter. Santiago Gonzalez has directed in New York and locally as well as performed in several

films including "Fame", "The Exorcist", and "The Young Savages" with Burt Lancaster. He has studied theater since the age of fourteen and looks forward to his Marion Art Center debut as director.

Richard DeLongchamps, a well-known actor in the area ("Educating Rita", "The Dining Room" and "Same Time Next Year" to mention a few) feels stimulated by the play and is excited about the characters in this play. Michael Reed is a relative newcomer to the area. He has studied at the Actor's Workship in Boston for two years and performed in Gateway's production of "American Buffalo" in 1985. This is his Marion Art Center debut. Finally, the pivotal character in the triangle is played by experienced actress Sandee Freitas. Ms. Freitas teaches at Rochester Memorial School and has performed with the Gateway Players and Theater One in Middleboro. Her long list of credits includes "A Thousand Clowns", "A Hatful of Rain" and "On Golden Pond". The Marion Art Center is pleased to have her in the cast of "Betrayal", February 27, 28 and again on March 12, 13 and 14. Curtain time is 8:00 p.m. Tickets are $5.00 for members and $6.00 for non-members. Reservations are suggested. Please call 748-1266.

Coffee with The Principal

Robert C. Gardner, Principal of the Old Rochester Regional Junior High School, announces he will be holding a COFFEE WITH THE PRINCIPAL in the Old Rochester Regional Junior High School Cafeteria Wednesday evening, February 25th from 7:00 to 8:30 p.m. to talk about school concerns. Guest speaker will be Robert Hicks, Director of Special Education and Test Coordinator. He will discuss results of the new California Achievement Test administered to present 8th grade students. Parents may expect to receive a copy of their student's scores at this meeting. David Boyce, Uplift Coordinator, will conduct a brief discussion about the program and its current status.

Mattapoisett Police Dept.

Mattapoisett Kindergarten

Registration for all children entering kindergarten and new children entering grade one in September of 1987 will take place in the office of Center School on Tuesday, March 10th, and Thursday, March 12th. In order to facilitate the registration process, parents of children whose last name begins with the letters A through L will register them on Tuesday, March 10th, between the hours of 9:00-11:00 a.m. Parents of children whose last name begins with the letters M through Z will register them on Thursday, March 12th between 9:00-11:00 a.m.

Any child born in the year 1982 is eligible for enrollment in kindergarten. Any child born in the year 1981 is eligible for enrollment in grade one. Parents should bring a birth certificate or a notarized memorandum with them on registration day. A doctor's memorandum showing the following immunization is required for school entrance:

1. DPT
2. Oral Sabin Polio Vaccine
3. Measles
4. Rubella (German Measles)
5. Mumps

A letter concerning kindergarten registration has been mailed to the parents of all children for whom the school has a census card. If you have not received a copy of this letter in the mail, please call the school office (758-2521) and request one.

On registration day, parents will

Old Rochester Regional High School Library. The meeting will begin at 3:30 p.m. Results of the recent community survey of early childhood programs and services will be discussed. Interested members of the community are invited to attend.

PROJECT "B.U.D."
ROCHESTER PARENTS' MEETING

Parents of young children are reminded of next week's informational session scheduled for Tuesday, February 24th, in the Rochester Memorial School's Library. Hosted by the Rochester Early Childhood Advisory Council, the program will outline the work being conducted through Project "BUD" (Better Understanding of Development). This project is examining programs and services for young children and their families in our tri-town area and attempting to identify the needs of this part of our population.

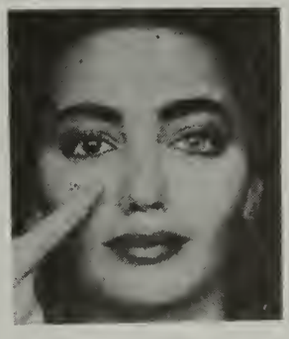
We would like to hear how you feel about area pre-school educational programs, child care services, health care, and social services.

The session will begin at 7:30 p.m. Refreshments will be served by the PTO. We want to hear from you, so please plan to come.

Old Colony Open House

On Sunday, March 1st, residents of the community will have the oppor-

CHANGING BROWN EYES TO BLUE IS AS SIMPLE AS THIS.



We now have DuraSoft® Colors, the first contact lenses that can change even the darkest eyes to stunning light colors
Go from brown to baby blue Hazel to emerald green Grey to aqua
Best of all, they're so comfortable you probably won't know you're wearing them
And DuraSoft Colors may be worn daily or overnight, depending on the results of your exam.
So come in and try on a pair For vision correction or just for fun
And see how simple it is to have the eyes you've always wanted

DuraSoft Colors.

arranged with the goal of providing the students with a "first hand" opportunity to learn about the assembly process of automobile production. The students were particularly impressed with the use of Robotic Technology in the assembly process.

The Field Trip was coordinated by Donald Mosher, an Old Colony instructor, and funded through the School Improvement Council.

OLD COLONY STUDENTS "ADOPT" GRANDPARENTS

The usual adoption arrangement has taken an unusual twist as students at Old Colony Regional Vocational-Technical High School have "adopted" grandparents. Eight Juniors in the Health Services Assistant Program are involved in a unique program with eight Senior Citizens at the Oakhill Nursing Home.

Each student and her adopted Grandparent spends a portion of their clinical time each day in a range of activities. According to Claudia L'Abbe, an Old Colony Instructor, the program will provide the resident with the companionship of a young adult and improved contact with the community. The students in turn enhance their communications skills with the geriatric population and help to diminish the generation gap. The Old Colony students will maintain a written journal dur-

Alyssa is the daughter of Albert and Elaine Sylvia of Mattapoisett. She will be receiving her Associate's Degree in the Administrative Assistant Program in June of 1987.

Alyssa enjoyed being Captain of the Mt. Ida girls' volleyball team this fall, along with working as the secretary for the Mt. Ida pre-school center.

DEAN'S LIST STUDENTS AT FITCHBURG

The following area students have been named to the Dean's List for the Fall semester at Fitchburg State College: Mary J. Spang and Linda J. Couto, both of Mattapoisett; and Karen L. Viveiros and Kim L. Viveiros, both of Rochester.

A student is placed on the Dean's List for the semester if an average grade of 3.20 or better is attained, and the student is attending the college full-time.

List were: Rebecca S. Dawson, Roderick C. McNeil, both of Marion; and Jahn A. Pothier of Mattapoisett.

Tufts University, established in 1852, has an enrollment of 7,000 students on campuses in Boston, Medford, and Grafton, and is made up of a unique combination of schools providing broad opportunities for study and research. Undergraduate degrees are offered through its College of Liberal Arts, Jackson College, College of Engineering, Boston School of Occupational Therapy, and College of Special Studies. Graduate degrees are awarded by the Fletcher School of Law and Diplomacy, the Graduate School of Arts and Sciences, the Sackler School of Graduate Biomedical Sciences and the School of Medicine, Dental Medicine, Veterinary Medicine and Nutrition.

DEAN'S LIST STUDENTS AT U-MASS.

Dean of Students William F. Field has announced the names of students who qualified for the Dean's List for the 1986 fall semester at the University of Massachusetts at Amherst.

Students from this area named to the Dean's List are: Catherine M. Black and Thomas P. Jackivicz, both of Mattapoisett; Pamela A. Makrys of Marion, and Daniel J. Ferreira of Rochester.

In order to qualify an undergraduate student must receive a 3.5 grade point average or better, on a four point scale.

"Because fewer than 15% meet this high standard, making the Dean's List marks significant accomplishment," said University Chancellor Joseph Duffey. "This academic honor is a source of pride to the entire University community."

Wareham Business Women's Club

Wareham Business and Professional Women's Club (BPW) will meet on Wednesday, February 25th, at the Bridge Restaurant in Sagamore. This month's program will feature Joan Rezendes, Director of Public Relations for Coca Cola Bottling of Cape Cod. The topic will be The Risks and Benefits of Changing Careers.

Dinner choices include rump roast or baked haddock stuffed with scallops. Members should call Kerry Mello at 295-3678 for reservations before February 20th.

Buzzards Bay Project

TO HOLD BY-LAWS WORKSHOP

A workshop on local by-laws and health issues in the Buzzards Bay Basin will be held on February 28th from 9 a.m. to 4:30 p.m. The workshop is funded by the U.S. Environmental Protection Agency through the Buzzards Bay Project, and is the first of three workshops focusing on water resource management in the Buzzards Bay region.

The Southeastern Regional Planning and Economic Development District (SRPEDD) staff has prepared a summary of municipal by-laws which relate to health issues in coastal southeastern Massachusetts. Their findings and recommendations concerning the effects of by-laws on water quality will be the focus of the workshop.

Selectmen, health and conservation agents, city councilors, town planners, resource managers, representatives of environmental organizations and developers are encouraged to at-

Patriots vs. Tobey

N.E. PATS TO PLAY TO BENEFIT TOBEY

On Saturday, February 28th, players from the New England Patriots' Football team will meet the Tobey Hospital Basketball team in a benefit basketball game. Game time is 8:00 p.m. at the Massachusetts Maritime Gymnasium in Buzzards Bay.

The Patriot players will be available for autographs during halftime. Tickets, which may be purchased at the Cashier Window at Tobey, are $5. for adults and children. If the game is not sold out, tickets will also be sold at the door.

Letter to the Editor

February has been celebrated as AMERICAN HISTORY MONTH for many years, both as to proclamations from Presidents and Governors of States, even here in Massachusetts. This being the 200th birthday of our CONSTITUTION, I wish to quote James Madison who was in great part responsible for the wisdom embodied in that precious and always mean-

ingful Document:

James Madison said: "We have staked the whole future of American civilization, not upon the power of government, far from it. We have staked the future of all of our political institutions upon the capacity of each and all of us to govern ourselves, to control ourselves, to sustain ourselves according to THE TEN COMMANDMENTS OF GOD".

Indeed, politicians, voters and all citizens young and old need to be reminded of these words - and how far away so many have become from his words because the socialist-humanists promote that the Ten Commandments are old-fashioned. The word of God and the Ten Commandments in every classroom would be a good way to overcome such thinking. Pray for it.

QUESTION:

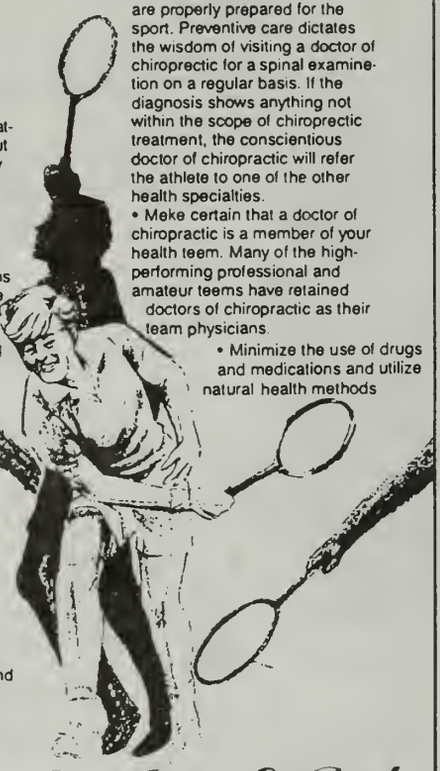
WHY SHOULD ATHLETES HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because it can help their performance.

Many amateur and professional athletes are sidelined with injuries that could be avoided. Others sit it out on the bench because their injury just doesn't seem to respond to ordinery treatment. Still others are playing, but at less than their peak efficiency simply because their structural system is not in balance.

Progressive coaches and trainers are realizing that pain-killing drugs ere not the enswer. Drugs and medications merely cover up the symptom, deceiving the player into actions which could make the injury more serious

Probably more than any other health profession, chiropractic's approech to health closely relates to the needs of the sports participant. Most sports involve body contact, leverage, fest sterts and stops, and positioning that places an unusual strain on the back and structural system. Doctors of chiropractic consider the human as an integrated being, giving special attention to spinel mechanics and neurological, muscular and vascular relationships. Chiropractic is a natural heelth care method that stresses the importance of keeping ell the systems of the body functioning efficiently, so the player enjoys peak performance, e minimum injury risk and fast recuperative powers.



Here's what you can do:

- Make certain that your athletes are properly prepared for the sport. Preventive care dictates the wisdom of visiting a doctor of chiroprectic for a spinal examinetion on a regular basis. If the diagnosis shows anything not within the scope of chiroprectic treatment, the conscientious doctor of chiropractic will refer the athlete to one of the other health specialties.
- Meke certain that a doctor of chiropractic is a member of your health teem. Many of the high-performing professional and amateur teems have retained doctors of chiropractic as their team physicians.
- Minimize the use of drugs and medications and utilize natural health methods

Giuliani: Variations on a Theme; Satto (Wind Dance); Caught; and Clowns and Others. This program is representative of the company's eclectic repertoire with each of the company's 18 dancers equally schooled in modern and classical dance.

Both Satto and Clowns and Others were choreographed by Aiello and premiered by NCDT. Satto is set to traditional Kabuki music while Clowns and Others is danced to "Visions Fugitives, Opus 65" by Prokofiev. Giuliani: Variations on a Theme, choreographed by Helgi Tomasson, is danced to three pieces by composer Mauro Giuliani; and Caught, a solo dance, is choreographed by David Parsons with music by Robert Fripp.

The company was founded in 1970 by Robert Lindgren as a professional affiliate of the North Carolina School of the Arts in Winston-Salem. He has since served as the company's director and has succeeded in making NCDT one of the most sought after touring dance companies.

Mr. Aiello was named Artistic Director in 1985 after serving as Associate Director for six years.

The NCDT recently completed their New York City premiere at the Joyce Theatre, receiving outstanding critical acclaim. Jack Anderson of "The New York Times" wrote: "Lovers of stylish dancing will surely enjoy the North Carolina Dance Theater. What makes the company special is its versatility. Trained in both classical ballet and modern dance, they realize that dance is an art of performance....they danced everything with conviction."

Tickets are also available at all Ticketmaster locations; also Brock Avenue Paint & Wallpaper in New Bedford; The Music Box in New Bedford; and the SMU ticket office in the Campus Center of SMU.

N.B. Symphony

FEATURED SOLOIST IN PIANO CONCERTO

First prize winner of the East Carolina University Concerto Competition in November of 1986, David Langevin will be the featured soloist with the New Bedford Symphony Orchestra in the Rachmaninoff Piano Concerto #2 on Sunday, March 1st, at 3 p.m. at the Zeiterion Theatre. He is currently a Piano Performance/ Pedagogy Major with a minor in organ at the University. David attended Southeastern Massachusetts University as a piano student of Dr. Eleanor Carlson. A New Bedford native, David studied with the late Pro-

From 1966 - 1967 she studied painting at the Brooklyn Museum School as a Rosenthal Scholarship student. She then went to receive her Bachelor of Fine Arts degree in Painting from the prestigious Cooper Union in New York City.

Jacqueline Block has had three solo exhibitions of her paintings at the William W. Crapo Gallery in New Bedford. She has also exhibited at the Wadsworth Athenaeum in Hartford, Connecticut, at Southeastern Massachusetts University and at the First Street Gallery in New York City.

The Nemasket Gallery is grateful for the assistance of the Fairhaven Arts Lottery. For more information please call 999-4436.

fessor Jose da Costa, Jane Carlson at Juilliard and Virginia Eskin at the New England Conservatory.

Professor Everett Hoagland of the SMU Faculty will be the narrator for the Copland "Lincoln Portrait". The New Bedford Choral Society augmented by the Sippican Chorus will join the NBSO for the rendition of the beautiful Haydn "Te Deum".

A reception will follow the performance, hosted by the New Bedford Bicentennial Commission, in the lobby of the theatre where the Bierstadt Society will exhibit works of its members.

Tickets are available at the Zeiterion Box Office: $15., $12. and $10. with a $2. discount for seniors. Students should contact their school principals for "free tickets" through the PASS program. Group rates are available upon request by calling 999-NBSO or 999-6276.

LEGAL ADVERTISEMENTS

TOWN OF MATTAPOISETT, MASSACHUSETTS
NOTICE OF PUBLIC HEARINGS
Notice is hereby given that the Mattapoisett Board of Appeals will hold Public Hearings on the following applications:

1. Petition of David E. Frawley, 6 Water Street. Petitioner is seeking a Special Permit under Sections III.A.1 and VII.B.2 for "Water Street Gallery" - the retail sale of art works. Property is further described as being Lot 182 on Plot 9 of the Mattapoisett Assessors' records. Hearing will be held in the Town Hall Conference Room at 7:00 P.M. on THURSDAY, FEBRUARY 26, 1987.

2. Petition of Spinnaker, Inc., c/o Frank M. Costa, 64 Fairhaven Road. Petitioners are seeking a variance from the rear set-back requirements for a proposed addition to the premises. Said property is further shown as being Lot 77 on Plot 11 of the Mattapoisett Assessors' records. Hearing will be held in the Town Hall Conference Room at 7:20 P.M. on THURSDAY, FEBRUARY 26, 1987.

3. Petition of Alan W. & Cynthia M. Medeiros, 127 Brandt Island Road, re lot on Jowick Street. Petitioners are seeking a Special Permit to allow a single family dwelling with accessory building to be erected on Lot 74, Plot 14 under Section VI B.2. of the Zoning By-Laws. Said property is further shown as being Lot 74 on Plot 14 of the Mattapoisett Assessors' records. Hearing will be held in the Town Hall Conference Room at 7:45 P.M. on THURSDAY, FEBRUARY 26, 1987.

Complete applications and plans as filed are available for inspection in the Office of the Town Clerk during normal office hours.

Tuesday, February 24th, at the Fairhaven High School, the Lloyd Center for Environmental Studies will present the second lecture in its series: "Islands". The lecture will be held in the Knipe Auditorium at 7:30 p.m.

Earthwatch is a public participation and scientific field research organization, sponsoring expeditions to places around the world, including islands such as Fiji, Hawaii and Easter Island.

Richard Audet, Biology teacher at Dartmouth High School, was a member of an Earthwatch expedition to the Canary Islands, off the northwest coast of Africa during the summer of 1986. Mr. Audet will talk on the expedition and the Earthwatch research on the homing instincts of the tide-pool fish. Following Mr. Aduet, Blue Magruder, Earthwatch Director of Public Affairs, will talk about Earthwatch expeditions to other islands of the world.

Admission to the lecture is $3.50 for Lloyd Center members and $4.50 for non-members. Advance tickets

foot. Voyagers will learn about the coastal ecology of barrier islands, and investigate the effects severe storms have on the undeveloped and rapidly commercialized barrier islands of the Mid-Atlantic Coast.

Voyagers will then move to the largest estuary in the United States, the Chesapeake Bay. On Friday, April 24th, they will board the Stanley Norman, one of the few remaining sailing oyster dredges that make up the fading skipjack fleet. Voyagers will learn about the cultural and natural history of the Bay plus the changes currently occurring in this vital wetlands.

The last stop before home for the Voyagers will be a visit to the National Aquarium in Baltimore's revitalized waterfront section. In the National Aquarium they will see a replica of a South American rainforest plus some of the largest indoor aquaria in the world and many other spectacular exhibits.

If you are interested in applying for the VOYAGE to Chesapeake Bay/ Assateague Island or want more information please call the Lloyd Center at 990-0505; ask for Bill Chamberlin.

DRESS FOR SUCCESS

The YWCA is offering "Dress for Success", a new dimension in you and your choice of colors. Learn how to choose colors that will say what you mean. Three weeks, meeting Tuesdays, the class begins March 3rd from 7 to 9 p.m.; fee is $12.; instructor, Irene A. Pejko.

FLORAL ARRANGEMENT WITH SILK FLOWERS

A three-week course is being offered at the YWCA in floral arrangement with silk flowers. Get a head start in bringing a touch of Spring into your home. Learn to arrange centerpieces and other decor for your home or for gifts. Silk flowers can be purchased through the instructor, Mrs. Claire Geggett, of Fairview Gift Shop. The three-week course begins Monday, March 9th, from 7 to 9 p.m. For details call the YWCA at 999-3255.

eon continues on February 18th with a Food Sale and Flea Market sponsored by the World Mutual Service Committee. Funds earned from the event are donated to the Worldwide YWCA movement. The luncheon begins at 11:30 a.m.

Children's Museum

UPCOMING PROGRAMS

On Saturday, February 21st, from 10:30 to 11:30, the Museum is offering "IMAGINARY KINGDOMS". Come and map out a land that exists in your own daydreams. Learn how to put it on paper, map out its towns with hills, mountains and valleys. Decorate your map with castles, forts, moats. This is offered for children seven years of age and up and is limited to 10 children.

Also offered on February 21st from 1:30 to 3:00 is ILLUMINATED INITIALS. We will use gold colored foil and create medieval, ornate initials. This program is free with Museum admission and open to all ages.

"POETS KNOW IT"

On Saturday, February 28th, for children ages 9-12 we offer Part One of a three-part workshop entitled "POETS KNOW IT". This is a very enjoyable session of writing and sharing in the joys of poetry. Connie Ouellette, poet and free lance writer, is our instructor. Connie has offered several programs within the school systems in our area and has been well received by the children and instructors alike. Connie writes that a workshop in poetry can be a catalyst for encouraging children to sharpen their skills of observation and communication. Writing poems helps children focus on what they experience. It makes them

interact in a personal way, pushes them beyond just learning facts to forming their own ideas.

Children catch on quickly that the magic in making a poem comes from themselves: from what they observe, think, feel, and want to share. Their poems cannot be wrong. If one child says lobsters look like transformers and another says they wear boxing gloves, both are right.

Given this positive climate for writing, most children come away from such a workshop with a great sense of accomplishment and the realization that what they have to say is important enough to be considered a poem.

The second session of Poets Know It will be held Saturday, March 7th, from 11:30 to 1:00 and the last session will be held March 14th from 11:30 to 1:00. Bring a box lunch for this easy-going enjoyable workshop.

Cost of the program is $8.00 for members, $10.00 for non-members.

Also offered on Saturday, February 28th from 1:30 to 2:30 is "Snappy Shirts". Bring a pre-washed T-shirt or sweatshirt to decorate with your own design. This program is offered for children 7 and up at a cost of $1.00 for members and $1.50 for non-members.
